PROVED FATAL.

Two-Year-Old Grace Hartman— Burned to Death.

Grace, the two-year-old daughter of Mr. and Mrs. Stephen Hartman, 175 North Broadway, was frightfully burned at 9 o'clock this morning.

How she was burned is a mystery. Grace was left in the sitting room alone while her mother went to the meat market. Before she returned a neighbor had been attracted by the girl's screams. When found her clothes were burned to a crisp. The upper part of her body, especially her arms, mouth, ears and cheeks were severely burned. The skin on her arms and legs hung in shreds. Her hair was almost singed to her skin.

The girl's clothes caught fire either by lighting a match or opening the stove door and having the flames puff out and catch fire to her garments.

Dr. A. K. Fouser bandaged the suffering girl's wounds. This afternoon he said the chances for her recovery are extremely doubtful. She is not expected to survive 24 hours.

LIVESTOCK

Poisoned Near Mogadore Saturday Night.

Property That of Two Brothers, Perry and Dallas Robinson.

Two horses, belonging to Perry Robinson, who lives at Logtown, a mile and a half south of Mogadore, and two cows, the property of Dallas Robinson, Perry's brother, who resides just across the county line in Portage county, but a short distance from his brother's home, were poisoned by Paris green Saturday night.

One of the horses died Saturday morning and the other will have to be killed. Both cows are dead. A veterinary surgeon examined the stomach of one of the dead animals and found Paris green.

It is thought the poison was given the animals by an enemy or enemies of the brothers, although there is no clue by which he or they may be apprehended. The County Commissioners will be asked to send County Detective Burdison to the neighborhood to investigate the matter.

A FARCE

Is Garfield's Law, And It Is Being Treated as Such.

Very few of the defeated candidates for offices in Summit county have filed statements of their expenses under the Garfield law.

"I regard the attempted enforcement of the law as a farce," said Representative Kempel, "and as a defeated candidate shall not file a statement."

Statements have not been filed either by Mr. McLean or Mr. Jones, candidates for governor. The time limit expired Friday night.

None of the campaign committees, with the exception of the Prohibition, have complied with the law requiring committees to file statements of expense.

Only the candidates who have been elected to office and who would subject themselves to forfeiture of office for failure to file statements, are paying any attention to the Garfield law.

SIMMS

Expects to Take Step Up- ward, Tuesday Night.

In Fine Condition For Meeting With Lavigne at Massillon.

George V. Tuohy, manager of Art Simms and Curley Supplies, in a statement regarding Tuesday's contest between Simms and Dave Lavigne of Boston, at Massillon, says:

"Simms is in tip-top shape for a fast bout and I think that his many friends in Akron will be very agreeably surprised at his improvement in all departments of ring work. He has been working hard at the Business Men's gymnasium in Cleveland under the personal supervision of myself and Curley Supplies, with whom he has been sparring twice a day for the past two weeks. Supplies being one of the fastest lightweights in the country his speed, which at first carried Art off his feet, to use a turf phrase, has been met by the Akron lad by his steady application and his ambition to learn and incidentally while learning, to also take many of the hard knocks Supplies is capable of administering. Art has steadily wonderfully, has improved in his judgment of distance and is not so subject to be misled by the feinting of his opponent. The waste motions he used to indulge in will be noticeably absent, and I am very certain that he will come out of the contest with first honors, although I also feel certain that he will be tested to the fullest to win over such a clever fellow as I know Lavigne to be."

"I have a letter at hand from Lavigne's manager in which he says that Lavigne is matched to meet Young Murray at Brockton, Mass., Nov. 23, and also boxes Patsy Reardon at Lewiston, Me., on Nov. 27. He is in fine condition for all these battles and will arrive in Cleveland Sunday morning. It was his intention to bring Lavigne here before then, but decided to put on the finishing touches to his work under conditions favorable to Lavigne. Dave, however, will work Monday and Tuesday at Massillon, and will afford speculators a chance to see his condition before he enters the ring, which he will do at about 124 pounds while Simms will be about two pounds heavier. All in all I look for the best night of sport on Tuesday that I have seen in a long time, and if Simms is the winner, which I believe, I will then seek a match with Tommy White or some other equally well-known man."

Curley Supplies will be in Simms' corner Tuesday night and will afford Akron people a chance to see the boxer whom good judges regard as the coming lightweight champion. Supplies recently beat Jack Kelly at Creston in seven rounds. He is matched to meet Ed Kennedy on the 28th at Pittsburgh.

The Simms party left for Massillon today. Several hundred Akron men will go to Massillon by special train Tuesday evening to encourage the Akron contestant. Simms is a favorite in Akron, being well cultured, unassuming and remarkably free from the swell-headedness that blights the career of most young men who give promise of winning championship honors. It will take something more than success to turn Simms' head. This explains why he will hold his friends, even in defeat.

VICTORY.

Buchtel Boys Win.

Baldwin-Wallace Failed to Score Saturday.

College Team Played a Speedy Game.

North End Athletic Club De- feated Bedford.

Kirkwood's Line Up For the Thanks- giving Game.

The lovers of foot ball were treated to a game of rare excellence on college field Saturday afternoon. The opposing teams were the Buchtel boys and the team from Baldwin-Wallace University of Berea. The visitors have played in Akron before and a good sized crowd was present, expecting them to add another game to their list of victories. But in this the spectators were disappointed and joyfully so. The Buchtel team, but recently organized, played a star game from start to finish, and turned the tables on their old opponents to the tune of 11 to 0.

The local team got into the game with a snap and vigor that surprised their admirers on the side lines, and the crowd entered into the enthusiasm and encouraged the college boys with shouts and cheers. At no time was the heavy B.-W. team in the game. They were outplayed at every point. Their line, supposed to be invincible, went down, time and again before the terrific onslaught of the Buchtel players.

Upon the other hand the Akron boys played together like veterans. They presented a solid front and made end runs at will. Their interference was well nigh perfect, and within a week they will be ready for their two games with Mt. Union college.

Capt. Price was in the game all the time and to his generalship much of the credit is due. Quick to see a weak spot in the Berea line, he made the most of it. The first touchdown was a piece of brilliant work. Price plunged through the line and by developing terrific speed in an instant, he was away from the bunch and carried the ball safely over the line. Robinson distinguished himself in his old-time way and Hardy made one of the longest end runs ever made on the grounds. Smith's tackling was of the sensational order and Trachsell at center was as steady as a clock. Of course Eves and Rockwell were ground gainers. For the visitors, Capt. Watson made some good runs and his punts were first-class.

The day was an ideal one for the spectators, but for the players it was too warm and the atmosphere was oppressive. This fact made it necessary to call time often and the game progressed slowly.

The game. Berea kicked off to Eves. After a series of bucks Robinson got away for 35 yards. Price and Eves made good gains and brought the ball within a few feet of the goal line. At a critical point Eves fumbled and the pigskin rolled over the line and a B.-W. man dropped on the ball. For this the ball was taken back to the 25 yard line and Berea gained 20 yards on a kick to Rockwell. Price, Smith and Eves were each given a "try" for a total of 20 yards. At this juncture Price went through the line and made a 40 yard run for a touchdown. Eves failed goal. Score, Buchtel 5, B.-W. 0.

The remainder of the first half was a series of give and take by both teams. The visitors worked hard to even up the score and Watson carried the ball 40 yards when he was tackled by Rockwell. The half ended with the ball on B.-W.'s 20 yard line. In the second half Price kicked the stink and in the skirmish Cassell's ankle was hurt and Atkins was substituted. An off-side play by Buchtel lost them 10 yards. Stinson was given the ball, but he was brought to grief by Smith.

Capt. Watson punted for a gain of 50 yards and Mills got the ball. It began to look like a touchdown for Berea, but the Buchtel boys lined up quickly and soon dispelled all such fancy. Hardy was given the ball and made the run of his life. He carried the ball 40 yards. Smith was then sent through the line for a touch-

down. Price kicked goal. Score, Buchtel 11, B.-W. 0.

In the few minutes of play remaining the local boys worked hard for another touchdown and were nearly rewarded. The kick off gave Price the ball and he made a sensational run of 50 yards, dodging nearly Berea's entire team. Berea soon got the ball and again punted for 40 yards. Herndon got the ball and advanced it 5 yards. Price followed with another run of 40 yards. Rockwell gained 15 yards and a left end run by Price netted 15 yards more. Time was called with the ball on Buchtel's 20 yard line.

The line up: Buchtel, B.-W. Hardy, l.e., L. Smith, Rockwell, l.t., L. Ingham, Ross, l.g., L. G. Briar, Trachsell, c., E. Nichols, Sharpe, r.g., F. Watson, (Capt.) Herndon, r.t., C. Cassell, Atkins, Smith, r.e., E. Schultz, Mills, q., L. Warner, Robinson, l.b., L. La Duke, Price, (Capt.) r.b., L. Stinson, Eves, f., L. F. Watson, (Capt.) Referee, Dr. F. Watters; umpire, Newcomb; timers, Lyman and Scherf; line men, Kapp; touchdown, Price 1, Smith 1; goals kicked, Price 1.

Nearly 1000 people witnessed the N.E.A.C. win a decided victory over the Bedford A.C. at Summit Lake Park Sunday afternoon. The score was N.E.A.C. 16; Bedford, 0. The game was a fine exhibition of the popular sport and was interspersed with brilliant plays.

The teams lined up as follows: Bedford, North End. H. Smith, l.e., L. E. Krohmer, Herdlich, l.t., L. Kauth, O'Brien, l.g., L. G. Beltz, L. Shattuck, c., L. Hibbs, Flick, r.g., L. G. The A team of the Kirkwood team defeated the E team Friday night in two games by 10 pins, making four straight games being won by the A team from the E team.

Tonight the B and E teams will bowl on Wednesday the A and D teams and on Friday the C and F teams.

The Kirkwood-Elk foot ball game to be played on Thanksgiving is the cause of much talk in sporting circles. It may result in some new timber being found to start another local eleven.
